

# UDP Analytics Product Matrix

IP Analytics																	
		Number of detection zones or lines	Tamper detect	camera shake elimination	Surveillance tracker	Presence filter	Full filter set + abandoned and removed object	Class and speed filters + calibration	Direction & dwell filters	Tail-gating filter	On-screen counters	Object Meta data	People tracker	Counting Line	PTZ Auto-tracking	Image stabilization	Comment
Inclusive licenses – included with hardware																	
VCApresIP1		1	√	√	√	√											Free with 'L' series IPE cameras
VCApresIP		40	√	√	√	√											Free with IPE and NVC products
Lower cost special function licenses																	
VCAcountIP		40	√								√			√			Bi-directional counting in busy areas
VCAaccessIP		40	√							√	√			√			Tailgating detection using Counting line
VCAdetectIP		40	√	√	√	√		√	√								Outdoor surveillance reduced filter set
VCAfollowIP		0	√	√	√										√		Autotracking – auto lay-on only
Full licenses																	
VCAsurvIP		40	√	√	√	√	√	√	√	√	√	√					Optimised for outdoor surveillance
VCAproIP		40	√	√	√	√	√	√	√	√	√	√	√	√			People tracker optimised for indoor scenes with multiple people. Includes surveillance tracker also
VCAtrackIP		40	√	√	√	√	√	√	√	√	√	√			√		Full autotracking. Auto, manual and VCA lay-on
Add-on function																	
STBe																√	Embedded video stabilization

PC Analytics																	
	Current Qty 100 price	Number of detection zones or lines	Tamper detect	camera shake elimination	Surveillance tracker	Presence filter	Full filter set + abandoned and removed object	Class and speed filters + calibration	Direction & dwell filters	Tail-gating filter	On-screen counters	Meta data	People tracker	Counting Line	PTZ Auto-tracking	Image stabilization	Comment
Inclusive licenses – included with UDP PC Cards																	
VCApresPC		40	√	√	√	√											Free with UDP PC cards
Lower cost special function licenses																	
VCAcountPCopen		40	√	√							√			√			Bi-directional counting in busy areas. Use with any video source
VCAaccessPCopen		40	√							√	√			√			Tailgating detection using counting line. Use with any video source.
VCAdetectPCopen		40	√	√	√	√		√	√								Outdoor surveillance reduced filter set. Use with any video source.
Full licenses																	
VCAsurvPC		40	√	√	√	√	No A/R	√	√	No	√	√					For UDP H/W only - outdoor surveillance
VCAsurvPCopen		40	√	√	√	√	No A/R	√	√	No	√	√					For any video source – outdoor surveillance
